HOW TO READ YOUR BIBLE

- S** **SCRIPTURE** - Physically write out the scripture. You'll be amazed at what God will reveal to you just by taking the time to slow down and actually write out what you are reading!
- O** **OBSERVATION** - What do you see in the verses you're reading? Who is the audience? Is there repetition? What words stand out to you?
- A** **APPLICATION** - This is when God's word becomes personal. What is God saying to me today? How can I apply what I just read to my own personal life? What changes do I need to make? Is there an action that I need to take?
- P** **PRAYER** - Pray God's Word back to Him. If He has revealed something to you during this time in His Word, pray about it. Confess if He has revealed some sin that is in your life.
